ADVANCED CYCLE: The 30 minutes you put into a LES MILLS SPRINT workout drives your body to burn calories for hours. The Advanced portion extends your training aerobically and anaerobically

BARRE: 50 minutes of strength, stretching, toning, and just a dash of cardio to get the heart rate up. This class utilizes classical ballet exercises combined with weight training and aerobic exercise to give you a full body workout. Express class available.

BODYCOMBAT is a high-energy martial arts-inspired workout that is totally non-contact. Punch and kick your way to fitness and burn up to 570 calories** in a class. No experience needed. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu.

HIIT+Core Express - This is a 30 minute core-focused class using a HIIT format. Choice between low, medium or high impact. Jumping is not necessary.

Barre+Core Express - This is a 30 minute full body workout incorporating the barre with particular focus on the core.

Cardio + Core + More: A HIIT class set to heart-pumping music, this format delivers a fun-packed combo of cardio and foundational strength training for a full-body workout. You are sure to leave sweating and smiling!

CARDIO KICKBOXING: This high energy workout challenges the beginner and elite athlete alike while combining martial arts techniques with fast-paced cardio. Build stamina, improve coordination and flexibility, and burn calories as you build lean muscle with this fun and challenging workout. (Express Class available (30 minutes))

CCHC LIFT: This strength class is a highly efficient, full-body, weight training workout using barbells, hand weights, bands, and Spri tubes to strengthen and sculpt all muscle groups. Nothing fancy, just basic lifts, leaving no muscle un-worked. **CARDIO MIX** class available.

CORE: Compliment your other workouts by devoting 20 minutes to strengthening your abs and lower back to improve posture and core strength.

CYCLE: During the class, you will pedal through hill climbs, sprints, and many other challenging drills and exercises. This class is a fantastic cardiovascular workout, and all levels are welcome. Remember to bring a towel and water bottle! 30 minute class.

FIT CORE: join this high-intensity, low impact class for a combination of strength, cardio, and balance designed to challenge your full body and fire up your core.

Full Body Circuit: Meet us at the circuit machines for a full body lift/cardio class. In 30 minutes you will have used each machine while getting a little cardio in between. All levels welcome!

HATHA YOGA: This class is a gentle and calming class focusing on stretching all areas of the body while releasing stress and tension from the joints and muscles. We use props and breath awareness to help the body relax. No prior yoga experience. required. * = **Class is also offered VIRTUALLY**

HIGH FITNESS: HIGH Fitness is an emerging leader in group fitness, inspiring people from all walks of life to a lifestyle of better health and overall wellness. HIGH transforms old school aerobics into a highly addictive new fitness experience that combines simple, modern fitness techniques (i.e. HIIT, plyometrics, etc.) with music you know and love.

LES MILLS BODYPUMP: This workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts, and curls. Get inspired to get the results you want with great music, an awesome instructor, and your choice of weight.

LES MILLS SPRINT: This is a 30 minute High Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results... the 30 minutes you put into a LES MILLS SPRINT workout drives your body to burn calories for hours.

P90X, P90X/HIIT: This is a full-body strength-training format, featuring unique blocks of work: HIIT (High Intensity Interval Training), cardio, upper body strength, and core work This class has a variety of moves, making it easily adaptable to different fitness levels and abilities.

Power Flow + Tone: This class combines traditional yoga flow with body weight exercises and heart-pumping HIIT intervals. Add dumbbells, and you've got a powerful flow that will leave you feeling strong and blissed out!

Ski Conditioning: 45 class focused on lower body, core strengthening, and power development to help improve control and skills on the slopes come winter. Open to all level skiers and snowboarders. Class runs through end of Feb.

Strength & Stretch: This is an Essentrics class - A dynamic, full-body workout suitable for all fitness levels. It will increase flexibility and mobility for a healthy, toned and pain-free body. Full body rebalancing and improved posture. Barefoot recommended
